## WORLD

The background of the entire image is a warm, dimly lit scene featuring several cigars and a pile of tobacco leaves. In the foreground, a cigar with a gold and red band is prominently displayed, resting on a pile of dark, crumpled tobacco leaves. Behind it, two more cigars are visible, one with a similar band and another with a red band. The background is filled with more cigars and tobacco, creating a sense of a well-stocked cigar shop or a collector's display. The lighting is soft and focused, highlighting the textures of the cigars and leaves.
